

Year 2 Example Remote Learning Timetable

Here is an example timetable for a day of remote learning at home. This is only an example – of course your day will need to fit best around your family at home. At very least, this timetable does give you an idea about the amount of time that you should be spending on each part of the remote learning. Sometimes it might take you a little longer, sometimes you might finish a little quicker – but don't rush through your work and if you're really struggling, ask for some help.

Time	Subject	Notes
09:00 – 09:05/9.10 (5-10 mins)	Wake Up Shake Up	The first activity of the day is to get moving and ready to start a new day. A video link will be at the beginning of each Sway.
09:10-9.30 (20 mins)	Phonics	Work through the input on the Sway. Make sure to listen to the sound buttons. There will be a short activity to complete and some sentences can be found on the Sway for your child to read once they have completed the activity.
9:30 – 9:40 (10 mins)	Setup for Zoom	Make sure you have a charged device ready. Make sure you have the link or the details for the Zoom session. You can click to get into the lesson now. Don't forget to make sure your name is correct when you connect.
9:40 – 10:05 (25 mins)	Live Zoom Session	The live Zoom session will have a different focus each day. We will have a look at the Sway together and there will be a short input or game.
